Subject: **Effective Communication with Health Authorities & School**

Dear Parent,

We at SPS ensure the health and safety of our students and staff. While the world is suffering from the pandemic situation, kindly note that it is mandatory to cooperate and provide accurate information about your ward regarding positive COVID-19 details (if any) to the school and to health authorities in a timely and accurate manner.

As per SPEA, not cooperating with the health authorities in such a pandemic situation is considered a violation of the law and may lead to legal action against the non-conforming persons/entities and the case may proceed to public prosecution, in view of the risk to the public health.

We wish you safety and continuous success.

Best regards,

Principal

Mrs. Samira Nabil
