Subject: English Reading Challenge

Dear Parent,

SPS brings you the Reading Challenge - an exciting reading adventure for children aged 6- 11 years to encourage them to read for pleasure, improve their English, and become confident readers.

The theme of the challenge is Fiction Novels, and participating kids must read a minimum of 12 books in 6 weeks from their own collection of books.

Each participant must write and submit a review on any nine out of twelve books. Each week the participant must update with the name of the book and the author of the book, along with the review wherever applicable. Communication regarding this will follow after registrations close.

Each Reading Challenge participant will receive a certificate on completing the challenge.

So, are you ready to read?
