

Star Private School

Cir: Ref/68/SPS/Pri/20-21

29th April '2021

Subject: Scratch Junior for Grades 1 to 2 (Year 2-3)

Dear Parent,

Scratch Jr is a visual programming language designed to introduce programming skills that enables them to think systematically and think creatively.

Scratch Jr is freely available on iPad, tablets, and laptops.

Please follow the instructions given below:

- **Students using iPad - Go to the App store, Type "Scratch Jr" in the search bar, and install.**
- **Students using Tablet - Go to play store - Type "Scratch Jr" in the search bar and install.**
- **Students using laptop - <https://jfo8000.github.io/ScratchJr-Desktop/>**

Click on the link ---- Select the operating system (mac or windows) for download and install.

Star Private School has always been a forerunner in providing its learners with the best opportunities and this is yet another endeavour in that direction. All great digital success stories have started with a strong foundation being built.

Scratch Junior Activities will be conducted as per the schedule given below. Students will get hands-on experience in programming through these exciting sessions. Students are encouraged to attend these sessions with laptops/I Pads/ Tablets.
